# ENTAGO.READY

The digital HR suite

ARE YOU .READY THERE YET?

With ENTAGO.READY, you are able to digitise your HR processes in the shortest possible time and make everyday work in your company much easier. ENTAGO.READY uses cloud-based and preconfigured module templates that are based on the latest best practices. These include the wealth of experience and know-how from countless implementation projects, so that a large number of requirements are already preconfigured.

It has never been easier to implement HR cloud solutions – and so quickly and at such a small price. The ENTAGO.READY Suite includes HR processes that build on one another in a modular manner, which in their entirety depict the entire HR life cycle. From recruiting to an employee leaving the company, all employee life cycle processes can be handled digitally in the comprehensive SAP SuccessFactors Suite.

- Process standardisation and automation
- Expandability through expandability and interfaces
- Highest security standards & compliance
- Ongoing further development through the latest releases
- Short implementation time
- Cost-effective implementation

ENTAGO.READY

Talent Module

.READY RECRUITING

Find the best, most qualified talent. The pre-configured READY.RECRUITING solution provides you with optimal support in all phases of the recruiting process – from job advertisement to entry.

.READY ONBOARDING

Give your new employees the best possible start in your company! READY.ONBOARDING supports you in designing a transparent and efficient introduction process so that new employees can quickly settle into their new role.

.READY PERFORMANCE

Employee performance is closely linked to transparent objectives, feedback and appreciation. Promote your employees confidently with ENTAGO.PERFORMANCE and achieve sustainable growth in which target agreements are combined with continuous feedback and constructive coaching. You can continuously track and control the performance of your employees.

.READY COMPENSATION

Increase your employees' motivation and their willingness to deliver top performance with a fair and performance-based compensation model. READY.COMPENSATION offers you the perfect framework to put your remuneration models into practice and to reward employees according to their performance, to make structural salary adjustments, to pay out variable bonuses or to implement promotions.

.READY SUCCESSION

Use READY.SUCCESSION to strategically plan the succession in your company with long-term promotion of your talents.

.READY LEARNING

Continuous learning through tailor-made further training opportunities and digital training, which can also be carried out on the move from any location. READY. LEARNING offers you exactly that and even more! Create an optimal learning environment for your employees with effortless management and maintenance of course content. Track learning progress and optimise learning content where needs are identified.

.READY CALIBRATION

Complete your remuneration processes, performance and succession with READY.CALIBRATION and help you make fact-based decisions about performance and remuneration.

.READY WORK ZONE

Increase productivity by making your collaboration within the company with Work Zone efficient and modern with the aim of increasing engagement through effective communication.

ENTAGO.READY

Core Module

.READY CORE

Revolutionise your HR processes with READY. CORE as the core of the ENTAGO.READY Suite. Benefit from intelligent and modern personnel management with central control of all company-wide master data. Make your employees the focus of your HR work and get clear access to relevant information.

.READY PAYROLL CH

Automate and accelerate your payroll accounting with READY.PAYROLL, the modern and preconfigured solution for legally compliant and punctual payroll accounting.

.READY SELF SERVICES

The latest best practice scenarios for approval processes, workflows, automation, business rules and self-services are bundled in the READY.SELF SERVICES package and support you in everyday HR administration.

.READY TIME

Let your employees record attendance and absence fully integrated in the ENTAGO.READY Suite. Mobile on the go, on the desktop PC in the home office or rather with a badge at the terminal? READY.TIME offers you the comprehensive time management that suits you best.

.READY EXPENSES

Streamlined and fully integrated travel expense management for recording and billing expenses in your digital HR suite.

.READY DOCS

READY.DOCS offers you the possibility of designing, generating, publishing and automating professional HXM documents in a uniform document management system.

.READY ANALYTICS

Receive predefined HR reports for all modules and benefit from connections to analytics tools such as SAP People Analytics or Qualtrix.

EXTENSIONS

Add any building blocks in the form of add-ons, interfaces and integrations to the ENTAGO.READY Suite to map your requirements.
