

# ENTAGO.READY TIME

## Employee Central Time Tracking

**READY.TIME** offers a flexible and integrated solution for recording and managing working times that helps companies to comply with working time regulations and make efficient personnel decisions.

Revolutionize your time recording management and drive your corporate strategy forward with **READY.TIME** – the essential component of the **ENTAGO. READY** Suite, which specifically addresses the complex challenges of time management and legal requirements.

With **READY.TIME**, you can expand your time recording via a comprehensive, user-friendly platform. Enable your employees to accurately record and efficiently manage working times to promote time awareness and increase business efficiency.

**READY.TIME** links working time data with key performance indicators of your company and thus creates a basis for transparent evaluations.

**READY.TIME** ensures compliance with working time laws and minimizes risks, making it a valuable tool for companies of all sizes. It adapts to international standards and takes regional specifics into account. Thanks to the integration into your ERP systems, you experience a seamless operational process. In addition, a terminal can also be connected flawlessly.

Use **READY.TIME**'s advanced reporting and analytics to monitor team performance and make informed decisions. Identify trends and adjust your strategies to achieve the best possible results.

**SAP®** Qualified  
Partner-Packaged Solution

# ENTAGO.READY
